

Since the first Women’s March in 2017, which includes “access to safe, legal, affordable abortion” among its unifying principles (<https://womensmarch.com/mission-and-principles>), the Girl Scout organization has and continues to celebrate and encourage girl members involvement in this event. Examples for every year from 2017-2020 include, but are not limited to, the following:

**2020**

Girl Scouts promote the Women March (co-sponsored by Planned Parenthood) in Reno to girl members. <https://www.gssn.org/en/sf-events-repository/2019/reno-women-s-march--women-s-suffrage-centennial---1-18.html>

After learning that many Girl Scouts in her area were attending the Women's March on Denver, a local troop leader set about getting a fun patch made for attendees. Thanks to local graphic designer, Lauren Harwood, permission was granted for a fun patch to be created using Harwood's design for the Denver march.
